Situated next to St John the Baptist church in the Cotswold town of Burford, Warwick Hall is an idyllic wedding venue.

The new hall has a capacity of 120 seated at round or trestle tables and plenty of space for extra evening guests. Also included in hire is the Gauntlet room, often used for a quiet or entertainment room.

When your guests arrive in the Cotswold stone walled Café atrium they are greeted with arrival drinks and are welcomed to enjoy the patio area of the enclosed garden.

Once you have finished your photographs as the newly married couple your dinner will be served in the modern New Hall, which will then be transformed into your reception area for dancing in the evening.
